

HafrenProtect+

We are adopting the following practices in line with Government guidance.

If you have a fever and/or cough you should stay at home regardless of your travel or contact history.

Cleaning & Hygiene

Cleaning using antiviral disinfectant effective against Coronavirus; certified to European standards EN1276 & EN14476

Increased cleaning frequency of high touch points in public areas

Customer hand sanitiser stations (in key locations)

Comprehensive training of every team member on cleaning, hygiene and social distancing

Social Distancing

Social distancing measures throughout the theatre

Reception distancing floor signage and protective screens at Box Office

PPE provided to all theatre team members. Whilst there is no Government guidance on the need to wear face masks in theatres, these are available should team members choose to wear them

Contactless

Contactless payment available at Box Office or tickets available to purchase online or via telephone

Print-At-Home tickets available which can be viewed on your mobile when entering the auditorium
